# UC Research Data Policy

The [University of California Research Data Policy \(PDF\)](#) was issued on August 9, 2022, with an effective date of July 15, 2022. The intent of this Policy is to:

- clarify the ownership of and responsibility for Research Data generated during the course of University Research,
- encourage active data management and sharing practices, and
- provide guidance with respect to procedures when a University Researcher leaves the University.

The Policy applies to all Research Data generated or collected during the course of University Research.

# NIH RPPR

- Interim RPPR's are required to be submitted even if a competitive renewal application is submitted.
  - If the renewal application is funded, then the interim RPPR is accepted as the annual RPPR.
  - If the renewal application is not funded, then the interim RPPR is accepted as the final RPPR
- The policy was released under NOT-OD-17-037
- Additional guidance can be found at:
