TARGET AUDIENCE:

PHYSICIANS, CLINICAL STAFF, RESEARCHERS

*Sponsored by: UC Davis Health System
Office of Continuing Medical Education,
Division of Genomic Medicine in Department of Pediatrics,
& UC Davis Genome Center*

LEARNING OBJECTIVES:

1. What are genomic structural variants and how do we detect them?
2. How do genomic duplications contribute to human evolution and disease?
3. What are the genomic mechanisms contributing to copy-number variation associated with human disease?

ACCREDITATION:

The University of California, Davis, Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physician Credit: University of California, Davis Health System designates this live activity for a maximum of **1 AMA PRA Category 1 Credit(s)**TM.
