**Zoom Meeting ID: 433 236 6050 Passcode: 201511**

Clare E. B. Cannon, PhD is an Associate Professor in the Department of Human Ecology at the University of California, Davis and Interim Director of the UC Davis Institute of the Environment. Her work focuses on the intersections of social and environmental justice in urban and rural contexts particularly around risks and resilience to disasters, developing and implementing climate adaptation planning and policies, and reducing health disparities. She currently has active projects across California, the US, Australia, and Britain. As an internationally recognized scholar, she has published over 75 peer reviewed publications on these topics.
