Principal Investigator or Supervisor - Attestation

For the purpose of filing the I-129 petition, I attest to the following statements:

- True The research agreement (e.g., grant or contract) **WAS** reviewed and executed/signed by the Office of Research or UC Davis Health System Sponsored Programs and/or Contracts unit(s).
- False The research agreement (e.g., grant or contract) **WAS NOT** reviewed, **NOR** executed/signed by the Office of Research or UC Davis Health System Sponsored Programs and/or Contracts unit(s).

True The research project on which the beneficiary will be working **DOES NOT** involve access to:

- Technical Information that has been stamped "Export Controlled"
- Sponsor or 3rd Party Proprietary Information
- Confidential Information
- Confidential Materials
- Confidential Software and Equipment

False The research project on which the beneficiary will be working **DOES** involve access to the above items.

True The beneficiary **WILL NOT** work on military or space applications or "dual-use" technologies that have potential applications to military/proliferation purposes in addition to the usual commercial uses. *For example: Newly developed night vision technology or GPS technology used to observe nocturnal animals may have a "dual use" even though it's primary purpose is not obviously military in nature but has the potential for military use.*

False The beneficiary **MAY** work on military or space applications or "dual-use" technologies that have potential applications to military/proliferation purposes in addition to the usual commercial uses.

I hereby attest that I have used all reasonable diligence in preparing this Export Control- Attestation Form and, to the best of my knowledge; it is true, complete and accurate. *Please note: this form must have an original signature.*
